**About the Cover**

*Dance of Life* by Jen-Wen Wang.

This water color painting was created during a time of crisis and confusion in my life. I searched for the ground, for the root, yet my feet were heavy and the journey seemed endless. But the lotus, a symbol of Asian wisdom and peace, provided a piece of ground for me to stand on. So I began to dance from one flower to another. The trees, representing different traditions, danced with me. So now I continue my journey with the steps of the dance of life.
