**About the Cover**

The cover design is an untitled painting by D. S. Yatawara, a Sri Lankan artist. When asked what the painting represented, he said that it portrayed the reality of many women in his country. The guest editor of this *IGI* issue chose to use this painting on the cover because of its haunting message and its affinity to the dire conditions in which many Dalit women live.

**Contents**

- 1 Editorial
- 3 The Haunts of Pain: Theologizing Dalits
