About the Cover

Woman and Tree by Jen-Wen Wang.

A woman meets a tree. She runs to the tree, embraces it, and touches the life in the tree. The woman and the tree become one. She lives through the tree. She dances with the tree. She is protected by the shelter of the tree and fed by the fruits of the tree. And she is protecting the tree, giving dynamic power to it. The woman loves and trusts the tree, and the tree loves the woman. Together they are rooting and dancing and experiencing life.
