Articles should be reprinted only with prior permission from *in God's image* and due notification to the writer. Credit must be given to *in God's image* for articles used.

### About the Cover

Monisha Miriam Ravikumar is a Christian artist and feminist who works as a game designer. She holds degrees in Fine Arts and Visual Communication, loves to travel and is trying to make the world a better place. The cover is based on a notion that whatever ideas of music existed before, it doesn't matter as long as it now brings people out of misery, pain and oppression caused by sexism, racism and religious beliefs.
