### About the Cover

Uniquely creative Angela Xena Baylon is 16 years young and currently studies veterinary medicine at the University of the Philippines in Los Banos, Laguna. Angela is also fond of making crafts and loves to make people happy.

Angela says her artwork shows the various faces of a woman. A woman can be playful, full of hope and joy and at the same time, hide sorrow and sadness in her eyes. Perhaps lost in a world too big for her to fathom alone, yet she remains free-spirited, not allowing others and society to put her in a box. She can be anything and everything she wants to be, depending on how she lives life.
