**About the Cover**

The cover art is by Taiwanese artist Jen-Wen Wang and is called "Tree of Life". She explains her art this way: "The tree is a supporting power when you are frightened by the power of death. With the support of the tree, you will know the earth under your feet, and see the light that wakes up every cell. You will feel the living stream through the bark. You will grow up with the tree, and finally find a new way of life – to fly with the tree and to dance a new dance."
