About the Cover

"Singing of Birds on a Tree" by Wang Jen-Wen captures the importance of letting voices be heard. As an artist-theologian, Jen-Wen had deep concerns for issues/peoples. She listened and read without giving judgement in advance. She drew and painted as an observer and artist. She spoke and articulated with understanding and compassion. She carried out all works by giving hope to the hopeless, smile to those who shed tears, and voice to the voiceless.
