About the Cover

In this painting by Indian artist Lucy D'Souza-Krone, Mary is dressed in colours which look like fire. The streaming in of the Spirit is expressed through fire. The painting shows how Mary opens herself to the Spirit of God. This is also emphasised by Mary sitting in the green-brown seed which opens at the right side. This is the seed of faith, which is in the human heart and should open also in us. The flower in the upper left corner points to that in a symbolic way. Mary is an example for us to open ourselves to God.
